

Expression of Interest

1 Event

Business mission: “**Advancing EU-Greenland Collaboration: Investments and Innovation in Critical Raw Materials and Renewable Energy**”, Greenland, 30 September-4 October 2024.

The event will primarily target the **rare earth elements, graphite, molybdenum, and anorthosite** value chains, as well as Greenland’s **hydropower** potential. We will also include other critical raw materials (CRM) of interest to participating stakeholders.

2 Organiser

The European Commission through the Business Mission Greenland 2024 project. The EU will cover participation costs for up to 10 EU companies (one person per company).¹ Please indicate your **funding preference**:

- ☐ I am interested in participating only if I receive full EU funding.
- ☐ I am interested in participating with partial EU funding (I can cover accommodation expenses).
- ☒ I am interested in participating regardless of whether I receive EU funding.
