WHAT YOU GET

PRIVATE PARCEL | FULL MEDIA RIGHTS | PRIM ALLOWANCE

Every home is on its own private parcel which allows the resident to have control of their home's sound, media, and private chat.

- ★ No one outside your private parcel can see or hear you and/or your guests!

- ★ Set your own music stream

- ★ Every home comes with a 50 prim allowance which allows the tenant to add

some of their own personal items to the decorated home.

(You may add more prims if available which will increase your tier.)

- You may request to change out furnishings/decor with a monthly lease

★ HOME SECURITY SYSTEM

Your home comes equipped with a CasperSafe security orb which will enable you to evict any unwanted guest from your parcel. You also have the ability to set up a guest and a ban list.
