

☺ Small gestures go a long way

Find gratitude in the life surrounding you and give the world hope. Your existence in the world matters, every cent is worth millions.

DONATIONS

[Compassion](#)

Compassion's mission is to release children from poverty. Over the last 70 years, Compassion revolutionized the fight against global poverty by partnering with local churches to lift children out of spiritual, economic, social and physical poverty. Today, Compassion partners with over 8,000 churches in 29 countries to deliver our proven child development program to more than 2 million infants, children and youth. With [Compassion](#), you can:

- [Donate to the Global Food Crisis](#)
- [Donate to Baby Medical Care](#)
- [Donate to Academic Scholarships in El Salvador](#)

There will be more opportunities on the website!

[Islamic Relief Canada](#)

Not only will you be responding to disasters and emergencies, but Islamic Relief promotes sustainable economic and social development through working with local communities. Regardless of race, religion or gender. Your generous donation can help save lives in over 40 countries around the world.

[Urgent Action Needed to Secure a Permanent Ceasefire in Gaza](#)

The people of Gaza are fleeing for their lives as they experience 60+ days of indiscriminate attacks, ongoing blockade, starvation diet, and mass killing of civilians in the most densely-populated place on earth. Islamic Relief is dedicated to responding and working with local partners. Providing emergency medical assistance to nearby hospitals, urgent food support to displaced families and clean water to communities.

[Room to Read](#)

With education interventions around the world that range from teacher training to children's books, from national education reform to life skills content that helps adolescent girls succeed, Room to Read is scaling and innovating by benefiting children daily.

[Donate here to help reverse the global teacher shortage](#)

Globally, 44 million teachers need to be recruited to meet universal primary and secondary education needs by 2030. Without concerted efforts, chronic shortages of qualified teachers will continue to deny the fundamental right to education to millions of children for decades to come.

More information about this website, and programs if you're interested: [Room to Read—Who we are and what we do](#)

[SickKids Foundation](#)

At SickKids, we try our best to help patients and families feel as welcome and comfortable as they would in their own homes. Donations of new toys, electronics, crafts, books, and entertainment help us bring joy and comfort to children throughout their hospital stays or appointments. You can donate [financially](#), as well as:

☺ Small gestures go a long way

- Brand-new items such as toys, books, electronics
- Food donations to Patients and Staff
- Gift cards
- Personal Protective Equipment (PPE)
- Monetary Donations to Help Fund the Fight

You can read more information on ways you can donate here: [Donating to SickKids](#)

[World Vision International Myanmar](#)

World Vision International is an international relief and development organization. It is working in more than 100 countries around the world. This [link](#) brings you to an organization for Myanmar—a country struggling with poverty and war. Any donation you give to his organization provides food, shelter, and health care, creating a lasting difference for those in need.

You can also go to [World Vision International](#), where you can donate to any country in need. All donations are appreciated.

[World Vision's Global Hunger Response](#)

You can make a positive difference right now by supporting World Vision's Global Hunger Response. This effort to reach 22 million people facing starvation in 25 countries can prevent the needless deaths of hundreds of thousands of children.

Action includes things like:

- Providing food and cash assistance.
- Meeting health; nutrition; water, sanitation, and hygiene (WASH); and social protection needs.
- Advocating for more inclusive, resilient, and sustainable food systems.

VOLUNTEERING

[Red Cross Volunteering:](#)

Becoming a [Red Cross](#) volunteer includes tasks such as customer service, sitting on committees and project teams. Or even helping during emergencies and disasters, your presence can make an influential difference in your community. You'll be providing access to services such as shelter, food, and comfort and facilitating access to community resources. There will be times when you may be called to support larger disaster events—based on your availability.

[Volunteer Match](#)

Volunteer Match is an effective way to recruit highly qualified volunteers for your nonprofit. They match you with people who are passionate about and committed to your cause, and who can help when and where you need them. Since volunteers are often donors as well, we make it easy for them to contribute their time and money. You can find options to volunteer in person and virtually.

Opportunities (there will be more listed on the [website](#)):

- [Advocacy and Human Rights](#)
- [Health and Medicine](#)
- [Crisis Support](#)
