Such special 2025 pool rules may include, but are not limited to, capacity, time, and access limitations, social distancing and face coverings, use of bathrooms, and notification of positive COVID-19 tests. Failure to comply with these restrictions or requirements may result in suspension or termination of pool use privileges for an individual or family.
- ★ These special 2025 pool rules may be modified by the Pool Chair, in consultation with the Pool Director and the Board.
- ★ All standard rules described below apply and are in effect in 2025, except where inconsistent with these special rules, in which case the special rules apply.
