Duration: **2 hours**

Class Size: **3 people**

Cost: **Makersmiths Members – \$20.00**
(subject to change)

Location: **Leesburg**

[Click to notify me when this course is available](#)

Class Goals

This red tool CnC course covers safety and operation of our "Big Red" CnC machine in Makersmiths Leesburg. During the session, students will make a take-home plaque.

Prerequisites: Bring a laptop with the program VCarve installed (optional, but it will be very helpful).

You should have knowledge of vector graphics.

Key Takeaways

Upon completion of this course, you'll be approved to start using Big Red on your own.

This class is Leesburg specific and does **NOT** permit you to use the CnC in Purcellville.

Class Structure

This class will cover their conversion to G-code and safety/setup and operation of Big Red to make the object.
