Veterinary Science CDE: Eastern States Exposition

* The Veterinary Science CDE will follow the National FFA Rules and Event Procedures as posted on the National FFA website. Please utilize this resource for items to bring, resources, scorecards, and identification lists.

*Students will be in official dress for the entirety of the event.

Individual Materials List

*If you would like you may bring your own of the following items. There will be some available to use as well.

- Pencil
- Clipboard if desired
- Basic Calculator
- Members do NOT need to bring materials for the practicums

Event Format:
The event will be a scenario based format like the National FFA event. We will be running a single scenario which will take approximately 90 minutes per team. The time and scoring breakdown is below.

The practicums will be related to the theme published by National FFA for the current year.

*If time allows, we may try to include a 3rd practicum during the timeframe.

Time Breakdown			
Activity	Time/Question	Question/Activity	Total Time/Activity
Written Exam	.8 min	25	20
ID - Equipment	.8 min	15	12
ID - Parasites	.8 min	5	4
ID - Breeds	.8 min	5	4
