

Floor Monitor Supplies

Each Floor Monitor is supplied with a **red/orange** tote bag containing:

1. Instructions
2. Clipboard
3. Pad of paper
4. Pen
5. Small LED flashlight with AAA batteries.
6. Packets of glow sticks or batons to place along baseboards of hallways when dark due to a power outage.
7. Battery operated tea lights for resident who don't have flashlights.
8. Small whistle
9. Reflective arm band.
10. Safety Vest
11. Disposable CPR Face Shields and instructions
12. Face Masks for residents during fire drills or evacuations.

Supply inventory is maintained in a rented locker in B Building by one of the Building Captains. The Coordinator orders replacement supplies and is reimbursed by the AGRC President or Treasurer after submitting invoices and receipts for ordered supplies.

If you have any glow bracelets left over from previous supplies, please use them along the floor of dark sections of your floor's hallways during power outages. We will not be replacing them.

Supplies are property of [AGRC](#). Unused supplies should be returned to the Floor Monitor Coordinator or your Building Captain when a monitor resigns from his/her position.
