Castle Rock School District

Athletic Trip Transportation Release

It is recommended that all students be transported via school/site arrangements. It is the principal's discretion whether or not to allow students to be transported via another means of transportation. If the student is transported via means other than arranged by the school, the parent releases the School District from any and all liability that may arise as a result of this alternate means of transportation. Providing or arranging appropriate transportation then becomes the responsibility of the parent or other designated person.
