Parents/Guardians:

We are excited to have you join our Joseph Gould family! Kindergarten is such an important time for students to develop a lifelong love of learning, exploring, creating, and problem solving. We are eager to build a strong foundation for your child so they can experience success throughout their years in school.

Starting Kindergarten is an exciting and important moment for both you and your child. It is my pleasure to welcome you for an exceptional year. It is our mission to help every child feel welcomed, connected, and a part of the Joseph Gould family. To begin this journey, we are inviting students and parents to our Welcome to Kindergarten event on June 15, 2023, from 1:30-2:30 pm. At that time, you will meet our Kindergarten team, visit a classroom, receive information about our program and get to experience what learning is like for our youngest students. More information will follow.

We are here to assist you in helping your child make a successful transition to the classroom. Please do not hesitate to contact us if you have any questions or concerns about your school experience.

Again, welcome to Joseph Gould. We look forward to meeting with you.

Regards,

Andrea Della Torre
