

Section 2: Menu of the System

The **CedisPay Financial Wellbeing Budget App** is a comprehensive tool designed to guide you through all aspects of financial management. The system's menu is structured to help you easily navigate through its various features, each aimed at enhancing your financial wellbeing. Below is a detailed overview of each menu item and its functionalities.

1. My Financial Wellbeing Dashboard

Your personalized financial hub where you can view a snapshot of your overall financial health. Key features include:

- **Interactive Column Graph:** Visualizes your budget cash flow, showing income and expenses over time.
- **Detailed Insights:** Provides a breakdown of income, expenses, and savings, presented in a simple and easy-to-understand format with icons and visual cues.

2. Financial Wellbeing Calculator

This tool offers a personalized assessment of your financial health. It evaluates:

- **Income**
- **Expenses**
- **Savings Rate**
- **Debt-to-Income Ratio**

Based on these inputs, the calculator provides customized recommendations to help improve your financial wellbeing.

3. Financial Wellbeing Roadmap

This feature guides you through a series of steps tailored to your financial goals. It includes:

- **The CedisPay Financial Wellbeing Model:** A comprehensive approach to achieving financial stability.
- **The 7 Baby Steps for Wealth Creation:** A proven method to build and secure wealth over time.

4. Financial Wellbeing Goals

Set and track your financial goals within this section. You can establish milestones such as:

- **Retirement Savings**
- **Debt Repayment**
- **Customizable Financial Goals**

The app will help you monitor your progress and stay on track to achieve these objectives.

5. Budget Assessment Quiz

Test your budgeting knowledge and practices with this quiz. It evaluates your understanding of budgeting principles and offers insights into areas where you can improve.

6. Budget Management

Manage your budget effortlessly with tools designed to help you:

- **Track Income and Expenses:** Easily log and categorize your financial activities.
- **Export Data to Excel:** For more in-depth analysis, export your budget data to Excel.

7. Spending Tracker

Monitor your daily spending habits to ensure you stay within your budget. Key features include:

- **Real-Time Tracking:** Update your spending as it happens.
- **Expense Categorization:** Sort your expenses into categories like food, transportation, and entertainment.
- **Monthly Reports:** Review your spending patterns each month to identify areas for improvement.
- **Alerts:** Receive notifications if you are overspending in certain categories.

8. Debt Management Tool

Effectively manage and reduce your debt with this comprehensive tool. Features include:

- **Debt Overview:** View a summary of all your outstanding debts, including balances and interest rates.
- **Payment Tracking:** Monitor your payments and their impact on your overall debt.
- **Debt Repayment Plans:** Create a structured plan to pay down debt faster.
- **Consolidation Options:** Explore opportunities to consolidate debt for lower interest rates and easier payments.
- **Progress Tracking:** Visualize your progress as you reduce debt over time.

9. Insights and Learning

Enhance your financial knowledge through access to educational materials, including:

- **CedisPay's Financial Wellness Blueprint:** A guide to achieving financial health.
- **Expert Advice:** Gain insights from financial experts to improve your financial practices.

10. Key Alerts and Notifications

Stay informed with timely reminders for:

- **Bill Payments**
- **Loan Due Dates**

These notifications help ensure you never miss a payment, protecting your financial health.

11. Rewards and Points

Earn points for using the app and redeem them for exciting rewards. This feature encourages continuous engagement and rewards you for managing your finances effectively.

12. Training Videos and Materials

Access a wealth of resources to help you master financial management, including:

- **Video Tutorials**
- **Webinars**
- **Downloadable Guides**

These materials are designed to cater to both beginners and advanced users.

13. Comprehensive Training Resources

Beyond videos and webinars, access a library of training materials that will help you build your financial knowledge and skills.

14. Ask a Coach

Get personalized advice and support from financial experts. Whether you have a specific question or need ongoing guidance, this feature connects you with professionals who can help you reach your financial goals.

Section 2b: Summary of the CedisPay Financial Wellbeing Budget App
