

2026-2027

Central Outlaws Mite Hockey Program

Boys or Girls ages 7 & 8

Central Outlaws is proud to announce the beginning fall of 2026 we have merged with Speedskills Hockey development program. For the first time in Central New York players of this age will be trained under a professional program that has been recognized as the leader in the hockey community.

Boys and Girls ages 7 & 8 will skate three times per week while playing both full and half ice games. The program is marketing to 40 players making up four competitive teams. All practices will be held at "The Rink" Community Recreational Center. Home games will also be played at CRC while away games will consist of travel within the central New York region.

The intention of the program is to properly train the kids the techniques required to become a competitive hockey player. Skills such as skating, stickhandling, passing, shooting will be individually broken down and instructed to each player. Game like concepts of defensive and offensive zones systems, individual positional play and team concepts will also be introduced.

Speedskills Hockey has been professionally training youth kids in the area for nearly a decade, owned and operated by Mike Radja and assisted by Macrae McCarthy. Both who have Division 1 college hockey playing experience, we are projecting this to be the premier mite program of all Central New York.

***Registration for this program will be open June 1 register online
www.fingerlakeshockey.com space is limited .***
