Next year, in 6th grade, your student will transition from team-based sign-ups to a secondary model. This means you will need to select your student's schedule for the upcoming school year.

Registration for the upcoming school year will take place in **August**. However, we will accept Class Choice Requests from **6:00 PM on April 20** through **8:00 AM on April 27**. Please note that Class Choice Requests are just that—requests.

During Class Choice Requests, you will be able to select from the following options: **Band, Choir, Orchestra, and Art**. Additionally, you will request a schedule for which trimester your student will take the Encore classes: **PE, Computer Science, or Spanish**. You will also have the option to choose the trimester for your Writing class: **Narrative, Persuasive, or Informational**.

We will construct schedules based on these requests and will do everything in our power to fulfill them. During registration time in August, you will be able to see the schedule and the teachers your student will have. Should changes be needed, this is the time to make them using the Class Choice program.

Our school day consists of six periods, each lasting 60 minutes, with a 30-minute lunch break and 5-minute passing periods between classes. School will start at **8:30 AM and end at 3:20 PM**. The classes you will need to register for include **Math, English, Science, Writing, an Elective, and an Encore class**. For more information about these classes, please refer to the registration packet.

If you have any questions, please don't hesitate to contact the front office. We are here to help and support you through this process.

I look forward to the end of this year and am excited for another fantastic year at Madison Middle School. **It is a great day to be a Bobcat!**

Sincerely,
MMS Administration
