Walk to School Wednesday - Ed Hornbeck

Not a great turnout. It was cold and there were clubs that morning.

Advocacy/DEI - Kat Roblez

Met with Advocacy/DEI Committee (4 members), and have some suggestions/feedback we'd like to discuss with PTA and Principal May:

1. Ensuring inclusivity in the music the DJ will play at the dance
2. We think Math Night & Reading Night were great turnouts and we would love to have more free events like this, particularly around diversity:
 - a. One idea for this is to do "OCE's Got Talent" - Turner Creek does this and it has been a great way for kids to share their culture and develop appreciation for other cultures
3. We would like to try doing some all virtual PTA meetings that we invite all parents to, to encourage more people to learn about and get involved in PTA. Perhaps 2-3 times a year we could do something that is more of an "open meeting" where we'll discuss upcoming volunteer opportunities that people can do without having to chair a committee or attend all PTA meetings

Jump Rope for Heart - Marianna Jaffe & Cassy Hendrickson

- Jan 25 through March 8

Carnival: Anyone want to help chair this event?
