

Go to <https://medpros.mods.army.mil/portal/#/> and login with CAC

Anything that is not green, an appointment needs to be set and also proof should be provided to DS(s) in order to phase up to **PHASE VI**

For **PHASE VI+** MedPros should be all green and shouldn't expire before you leave (Minor exceptions as far as dental but shouldn't expire before leaving)

NOTE: All appts can be scheduled by calling the Fort Eisenhower Appt Line 706-787-7300

For PHA you must do the online PHA questionnaire, call the appt line and schedule a PHA appt, and then complete the PHA appt. To complete the online portion of the PHA click the "Periodic Health Assessments" button on the MEDPROS dashboard. Click on the DOD Periodic Health Assessment Form button. Complete the form and submit. This **MUST** be done prior to the in person PHA appointment.
