

 Fulbright Global Education Artifact Toolkit

Step 1: Identify Topics, Concepts, and Practices

Course Concepts or Topics that Resonate with Me	Why This Resonates / How It Connects to My Practice

Step 2: Artifact Planning & Reflection

Artifact # Name Type	Audience Purpose/Goal <i>(Self, Students, Colleagues, Administrators School, Community)</i> Who is your audience and how do you hope to impact them with this?	Artifact Description How and when will you use it?	Key Resources	How did these resources support development/inform your thinking?	Reflection: Next steps? Areas for improvement?
Artifact	Audience	Artifact Description	Key Resources	Development of thought	Reflection
