

Interview with a Parent

Student Name _____

Please ask your parent(s) or guardian the following questions and record their answers (do not have them write their answers). Make sure your parent's signature is at the bottom.

1. How do you think things have changed regarding dating since you were a teenager?
2. How common were teen pregnancy and sexually transmitted infections when you were a teen?
3. What are some rules and expectations you have for teens when it comes to socializing?
4. What are the advantages of going out in a group?
5. Do you think there is a best age to begin going out alone as a couple? Why?
6. What do you think makes a healthy relationship?
7. What do you think would make a relationship unhealthy?
8. What advice would you give a teen to help them have a healthy relationship?
