Dear Community Supporter,

We hope this message finds you well. As we gear up for the exciting CVL Soccer Tournament in 2025, we're reaching out to local businesses like yours to join us in making this event a success.

We invite you to become a valued sponsor by donating just \$100. In return, you'll receive a **2.5x2.5 ft vinyl banner** prominently displayed at the tournament along with the Fall Season. This is a fantastic opportunity to showcase your business to a diverse and engaged audience, all while supporting a beloved community event.

Why Participate?

- **Exposure:** Your business will be highlighted to hundreds of attendees, including players, families, and local supporters.
- **Community Support:** Your contribution will directly help cover the costs of organizing and running the tournament, ensuring a top-notch experience for all.
- **Positive Impact:** Show your commitment to local sports and youth activities, enhancing your community's spirit and pride.

How It Works:

1. **Donate:** Contribute \$100 to support the CVL Soccer Tournament.
2. **Design:** Provide us with your business logo or ad, and we'll handle the banner design and production.
3. **Promote:** Enjoy the visibility of your banner at the event, and connect with a vibrant community audience.

To make your donation or if you have any questions, please contact us (Info below) or send a check to 152 South Street Claremont, NH 03743, made out to **City of Claremont. Attention: CVL Soccer Tournament.**
