Mission Statement:

#Together WithTedoco 2026 is committed to strengthening the student experience at the Downtown Phoenix campus by expanding access to academic resources, professional opportunities and meaningful student engagement.

Our campaign focuses on building stronger connections between students, campus organizations and the Phoenix community. Through collaborative leadership, we aim to support student success by promoting peer-to-peer support, expanding awareness of existing resources and creating opportunities that empower students to grow academically, professionally, and personally.

TOGETHER, we believe that a thriving Downtown campus comes from engaged students, accessible opportunities and a community that supports one another.

OUR THREE C'S :
CULTURE
COMMUNITY
CONNECTEDNESS

Together, we can build a brighter and better Downtown Phoenix campus at ASU.
