- S. Fisher will raffle off the bat to Oakfield families, once approved with Team Sports. Raffles will take place at the next board meeting.

Areas of success or improvements

- **SOFTBALL:** Hard stops need to be cut out. And we need to add a weather rule (similar to baseball). Forfeit needs to be added to rules. If 3-way tie, head to head is voided.
- **BASEBALL:** Rule changes the weather (score goes back to last completed inning, minimum of 4 complete innings). If 3-way tie, head to head is voided—when not all teams have played one another during pool play.
- **CONCESSIONS:**

- Allowing coaches/head coaches not to do volunteer hours as an incentive to coach. We discussed—it really is not possible, we need the numbers. Coaches are highly recommended to do diamond duty instead of concessions. We also discussed incentives and felt that even though we wish we had better options, coaches coach for the kids and our program, not incentives. Tournaments, regardless of the sport, need the help of all of our volunteers to get the jobs done.

Season Review-NONE

Power to East Booth- D.Shady & J. Marschie will look into the cost to run electrical

West Batting Cage Turf - Motioned by S. Fisher donated \$1000 toward turf. Second by D. Shady. Passed.

Other items to discuss:

- Baseball Coordinator: We will need a new coordinator to follow C. Fisher for the 2025 baseball tournament in order to take over for the 2026 season.
- Discussion to increase field crew payment: A. Kintzler motioned to C. Fisher to receive a one-time bonus of \$500 for the season due to the over-commitment needed for extra games and rain-out. C. Fisher was scheduled to do 87 diamonds (plus tournaments) over the spring and summer, with multiple rain-outs. Seconded by P. Larson. Passed.
 - Will discuss 2025 season pay rate, TBD.

Basketball
