Band Bio

[Pearly](#), make [music](#) and videos that inhabit the same shapeless realm of dark Americana as David Lynch, while pulling from a [diverse set of references](#) to make their sound. Based in Cleveland, Ohio, the [three-piece band](#)'s sound morphs from [sweet, indie rock tenderness](#), akin to bands like TOPS, to [screeching, dance rock aggression](#) equated with acts like Nine Inch Nails.

Pearly is Austyn Benyak, Josie Yeager & Dalton Edwards.

Single Announcement

"2B" is an acoustic guitar-led diary entry of a day in one's memories. Inspired by feelings evoked while driving in summer, it's a tune about processing while in motion. Lyrically, an inner monologue about figuring out how to be in a relationship intensely while still being true to yourself and minding your own person. Recalling songs like David Bowie's 'Heroes' or New

Order's 'Age of Consent', 2B contains a melancholic familiarity that is indicative of Pearly's neo-noir inspirations.

Video Announcement

Accompanying the audio single and following their summer release '[Mellon](#)', is a video inspired by David Lynch's *Lost Highway*.

Label Announcement

Pearly has signed with [Eto Ano](#). Run by musician Spurge Carter & DJ Olivia Klutse, Eto Ano is a genre-less label with a core intent of educating through operational transparency. Read about the label's latest release: [No Cash in Booth: A Compilation by Eto Ano \(Supporting Decriminalizing the MTA\)](#).

Spurge came across Pearly in late 2020 while working as an A&R for Omnian Music Group (Captured Tracks, Sinderlyn, 2MR). Pearly's intriguing and sensual sound combined with their penchant for [world-building](#) through their videos stuck out, causing Spurge to offer to work with the band through Eto Ano after talks with OMG quieted down. Listen to Pearly on [Eto Ano's Lot Radio](#) show, recorded during the band's recent visit to NYC.

'2B' is best played while turning to the person driving, from the passenger seat of the car, and as the light of the setting sun reaches your eyes, smiling to that person to show them that better days are in fact ahead, even if you don't yet know how.

To Be

(Written by Austyn Benyak & Josie Yeager)

Take the cup of ice cold water
Lunge your head back to the sun
Breath it in, it's grassy aint it?
Love the sun, what's been missin so long
Today is long
We can find the sun
Hold it in not down
Now

To be
You and me
To be
Me

What do you think when she tells you she wants you
To be
Only you
How do you
How do you

What do you think when she tells you she wants you
To be
Only you
How do you
How do you
Think for yourself
When she's calling
When you're wanting to be
Only you
Only you

And she wants you to be one
Drink it all and then you're done
And it's wild and it's under the sun
Drink and you'll be done

To be
You and me
To be
Me
What do you think
When she tells you
She wants you to be
Only you
How do you
How do you
