Fit Teacher Community

Membership Fulfillment, Billing & Cancellation Policy

Thank you for being part of the Fit Teacher Community! Our mission is to provide simple, accessible fitness coaching and resources designed to help busy teachers build healthier habits and feel stronger.

Please review the following policy before purchasing a membership.

1. Membership Access & Fulfillment

After successful registration and payment, members will receive access to the features included in their selected membership plan. These may include workout programs, exercise demonstration videos, daily habits, nutrition guidance, fitness tracking, and community support through our training app and private community.

Personalized workouts, nutrition targets, and other coaching materials may take up to 24–72 hours to appear in the app, depending on the level of customization required.

Membership access remains available while the membership is active and payments are current. Access may be suspended or terminated when a membership ends or payment remains unsuccessful.

2. Billing & Automatic Renewals

Memberships are billed on a recurring monthly or annual basis, depending on the plan selected at checkout.

By purchasing a recurring membership, you authorize Fit Teacher Community to charge your selected payment method at the disclosed price and billing interval until you cancel.

Your renewal date and membership price will be provided at checkout. You are responsible for reviewing your subscription details and keeping your payment information up to date.

If a payment fails, we may attempt to collect the outstanding payment or temporarily suspend access until the payment issue is resolved.

3. Cancellation Policy

Members may cancel their membership according to the terms of the plan selected at checkout.

To cancel, follow the cancellation instructions provided in your membership account or contact Coach Kevin on the training app or at kblackley6@gmail.com for assistance.

Unless otherwise stated in your membership agreement, cancellation takes effect at the end of the current paid billing period. You will retain access to membership features through that period, and no further recurring charges will be made after cancellation takes effect.

Any minimum commitment or special promotional terms will be disclosed before purchase.

4. Refund Policy

Because Fit Teacher Community provides digital resources and coaching access, membership payments are generally nonrefundable once the applicable billing period begins.

We do not generally provide prorated refunds for unused time, missed workouts, or partially used membership periods.

If you believe you were charged in error, experienced a duplicate charge, or encountered a significant access issue, please contact us so we can review the situation.

Nothing in this policy limits any refund or cancellation rights that may apply under applicable law.

5. Member Responsibilities

Members are responsible for using the training app and community resources appropriately, following applicable membership guidelines, and consulting a qualified healthcare professional when appropriate before beginning an exercise or nutrition program.

Fitness results vary from person to person. Participation does not guarantee specific weight-loss, muscle-building, or other fitness outcomes.

6. Support & Contact Information

For questions about membership access, billing, cancellations, or technical issues, contact:

Coach Kevin — Fit Teacher Community

Email: kblackley6@gmail.com

You may also contact Coach Kevin through the training app when available.

We appreciate your support and look forward to helping you build sustainable fitness habits!
