

NYSACTE Fellowship Application 2022 - 2023

Summary:

The NYSACTE Fellowship Program will be open to all career and technical education educators who want to improve their leadership skills while learning more about career and technical education in NYS. The program provides an opportunity for participants to learn from one another while exploring the various CTE delivery models within the state and becoming more involved in CTE professional organizations at the state level. It is possible for one (1) person from each of the NYSACTE affiliate organizations to become a fellow each year. This program represents an opportunity for extended professional development and will allow NYSACTE affiliate organizations the opportunity to take a more active role in shaping future career and technical education leaders.

Purpose:

1. To bring CTE educators together to develop their leadership skills and further their involvement in CTE professional organizations
2. To provide CTE educators an opportunity to become familiar with the variety of content areas and delivery models in NYS in order to better understand the strengths and challenges of CTE in NYS
3. Provide professional development opportunities in order to share and build best practices in CTE
4. Support activities that increase leadership characteristics and provide leadership opportunities for career-technical educators by contributing to NYSACTE.

Timeline:

Applications are due by **June 8th**. Applicants will be notified of their acceptance by **June 30**. The program of work will begin in October and will conclude in August.

Time Commitment:

Applicants will complete a series of tasks/assignments. Participation in monthly zoom meetings will be required. The culminating project will be a short presentation about the fellowship experience during a leadership in conference in August.
