*We are going to create a work (or a series of works). For this project, you need to “advertise” a message. Any message. Ideally, it should be one of importance/significance to YOU. Please look at examples of [advertisements](#) and [political prints](#) used throughout history. Look at examples of [linoleum](#) prints.*

### Historical & Contemporary Social and Political Causes/Issues

*Please circle any issues/causes that are especially important (you are passionate about) to **YOU***

Abortion Adoption Affirmative action Air pollution Alcoholism Animal experimentation Animal rights Anorexia Anti-Semitism Assisted Suicide Biological Weapons Birth Control Border Control Bullying Capital Punishment Child Abuse Civil Rights Cloning Date Rape	Depression Domestic Violence Drunk Driving Exercising Elderly Abuse Endangered Species Farming Gay Rights Genetic Engineering Global Warming Gun Control Handicapped Accessibility Homelessness Immigration Nuclear Energy Pollution Population Growth Privacy Racial Profiling	Renewable Energy Same Sex Marriage School Violence Suicide Stress and Teens Surveillance Social Media Terrorism Underage Drinking Unemployment Vegetarianism/Veganism Veterans Women’s Rights/Glass Ceiling <b><i>Others:</i></b>

*From the above list, please choose **TWO** different causes and generate ideas for possible designs for this lesson. Please research. There is not much worse than an uneducated opinion posted visually all over the place. **Write down what materials you would like to use to create your design/drawing.***
