- 4th Term: *In person students* (61.89) *Online students* (49.07%)
- 5th Term: *In person students* (61.89%) *Online students* (42.05%)
- 6th Term: *In person students* (62.72%) *Online students* (46.71%)

Student Service Center 2020-2021

There is a MTSS model that is implemented in the student center to support students so that they can be academically successful.

The America Reads team is committed to tutoring and mentoring students in the Student Support Center at Fast Forward Charter High School. Through tutoring, both the Fast Forward students and the USU tutors are enriched by the experience of collaboration and mutual learning. Tutors provide academic help for the students and model acceptable behavior, a desire for education, and set an example to students of what higher education can offer.
