Facilitators: The Reading Circuit and EdLighten Solutions

Spring Semester 2024

Professional Learning Community for Educator Preparation Program Faculty

AGENDA - Session 7

Wednesday, April 10th, 2024 9:30 am - 11:00 am

TIME	TOPIC
9:30 am	Who is facilitating today's PLC? Welcome from Leandra, Mary, and Annie, and introduction of Christina Cassano from Salem State University
9:35 am	What has been discussed in the PLC so far? Brief introduction to Reading Universe and Cox Campus as resources
9:45 am	What are some resources and responses from DESE? Siobhan Allen from DESE will share up-to-date resources and provide some answers to questions raised by participants in previous sessions.
9:55 am	Other than coursework, what are the other aspects of educator preparation programs? Christina Cassano from Salem State University will share how their program has approached field-based experiences and school-university partnerships
10:10am	What are some challenges and pathways through the process of changing field-based experiences? Christina will share some of Salem State's experiences.
10:30 am	What can we learn from one another's experiences of building effective field-based partnerships with school districts? Sharing areas of current strength and areas of need in participants' educator preparation programs
10:55 am	What can we expect at the next session? Preview of our final session!
