

**Leodigarius-Today at 2:17 AM**

I have concerns and would like to have a meeting at some point this weekend if possible

**GhostSquadron-Today at 2:17 AM**

About?

**Leodigarius-Today at 2:17 AM**

Babylon 6

**GhostSquadron-Today at 2:18 AM**

Yeah did you see it too?

**Leodigarius-Today at 2:18 AM**

i've seen everything

**GhostSquadron-Today at 2:18 AM**

Munkin AKA Escapin (From TEST) is the bloody Org owner

for Auxillium

**Leodigarius-Today at 2:18 AM**

that doesnt bother me

**GhostSquadron-Today at 2:18 AM**

god damn it

**Leodigarius-Today at 2:19 AM**

what does bother me is how since you got involved, things have been chaotic over there and Antarius is making rash decisions based on what you tell him

there are a lot of other orgs leaving because of his behaviour and the investment of time in removing "drama orgs"

**GhostSquadron-Today at 2:19 AM**

Leo your making me ask questions of you now

**Leodigarius-Today at 2:19 AM**

pretty soon, the project will cease to exist because Antarius is too paranoid to be rational and reasonable

**GhostSquadron-Today at 2:19 AM**

Careful mate

**Leodigarius-Today at 2:19 AM**

Imfao about what

**GhostSquadron-Today at 2:20 AM**

I've not done anything at all. Ask him yourself

Careful Leo don't throw rocks in glass houses

**Leodigarius-Today at 2:20 AM**

which is why i would like to have a meeting with you about it

**GhostSquadron-Today at 2:20 AM**

The ORG is the problem and he got rid of them wihtout me having anything to do with it

Also

**Leodigarius-Today at 2:21 AM**

because from the outside and what I and everyone else involved can see is some pretty big warning signs on the stability of the project

and you are right there in the mud with him

**GhostSquadron-Today at 2:21 AM**

Auxillium caused a fake report about us fighting with them and then shit got out of hand and Antarius actioned that

Once again nothing to do with me

**Leodigarius-Today at 2:21 AM**

maybe im seeing it wrong and he is gradually jumping off the deep end and tanking his project

but i would like to have a meeting regardless to see what we can do to assist in stabilizing it so it doesnt fall apart

**GhostSquadron-Today at 2:22 AM**

Ok mate you have about 1 min to appologize

I mean it!

Accusaitons

**Leodigarius-Today at 2:22 AM**

about what?

**GhostSquadron-Today at 2:22 AM**

and slander

**Leodigarius-Today at 2:22 AM**

im just telling you what it looks like, but thats why i want to talk with you about it and sort it out

**GhostSquadron-Today at 2:22 AM**

Ok there is nothing to sort out

**Leodigarius-Today at 2:22 AM**

per your request, i am speaking directly with you, and only you about this

**GhostSquadron-Today at 2:23 AM**

As per usual your blatant disrespect has put you in hot water once again. recently with that Pr thing and then this!

**Leodigarius-Today at 2:23 AM**

jesus christ you arent understanding me

**GhostSquadron-Today at 2:23 AM**

You have an attitude problem mate and need to get it checked! You're not playing Arma 3 and you will speak to me with respect understood!

Otherwise you will no longer be part of SOT!

Ok!

**Leodigarius-Today at 2:24 AM**

fine

**GhostSquadron-Today at 2:24 AM**

You just accused me of causing shit in Babylon 6

**Leodigarius-Today at 2:24 AM**

listen

**GhostSquadron-Today at 2:25 AM**

Wait i'm busy with a student

**Leodigarius-Today at 2:32 AM**

From my point of view, which is detached from everything in the community besides what happens in Babylon 6 and SOT, Antarius seems to be losing it. When he makes a post, you are the first, and typically only person to respond, which is good on you because no one else does that. However, BECAUSE you are the only one responding, it doesn't look terribly good REGARDLESS about anything. I'm not saying you are doing shit, I'm saying it looks bad from the outside and I want to figure out what can be done to sort out Antarius and Babylon 6 before they fold and disappear. You have a reputation of being involved in drama in the past, which is why I wanted to speak with you about this.

With the amount of time and energy you have invested in Babylon 6, I doubt you are doing anything to damage the project and are doing your best to help it succeed. What I am curious about is how much of drama gossip has been had between others and Antarius to have him start making such massive changes without involving other members of the project. Some of his explanations make no sense due to translations, but others seem to be petty and normally wouldn't warrant the outright removal of orgs and people from the project.

I am concerned for the stability of Antarius and Babylon 6, which was the entire point of me wanting to set a meeting with you to brainstorm ideas on how we can help guide him back on track. With you as the most active non German on there, you would be the clear representative to bring whatever we come up with to him so that we can stabilize things. This would lead to him trusting you even more for assisting him with this and providing him with an outside perspective.

**GhostSquadron-Today at 2:36 AM**

Ok Leo you sound EXACTLY like the ORG right now! I know you have connections to them. I'm not stupid and have been watching you for a while now! Time it looks for us to part ways

**Leodigarius-Today at 2:36 AM**

what

are you serious

you are the most paranoid man in star citizen

i dont talk to anyone else besides you

nigga i spend most of my time playing shit none of those fags have ever played or seen

you seriously think i give a shit about your drama?

im trying to help

you are too blind to realize it apparently

**GhostSquadron-Today at 2:40 AM**

You need to learn some respect!

**Leodigarius-Today at 2:40 AM**

as do you

im trying to help

but you are rude about it

**GhostSquadron-Today at 2:40 AM**

Helping is not accusing LEO!

**Leodigarius-Today at 2:40 AM**

IM NOT ACCUSING

did you even read what i wrote?

**GhostSquadron-Today at 2:40 AM**

I am supporting people for getting rid of incideous fucks

and you say i'm causing drama

**Leodigarius-Today at 2:41 AM**

no i didnt

thats not at ALL what i said

**GhostSquadron-Today at 2:41 AM**

Yeah ok that might make sense to a psychopath

not ME!

Read back up buddy all of it was accusaiton

against me

FFS!

**Leodigarius-Today at 2:41 AM**

its not an accusation, it was an observation that i wanted to discuss with you

**GhostSquadron-Today at 2:42 AM**

You might be able to talk to your Arma guys that way

**Leodigarius-Today at 2:42 AM**

are you kidding me

**GhostSquadron-Today at 2:42 AM**

Me NEVER!!

**Leodigarius-Today at 2:42 AM**

you are too easy to rile up, and im not even trying to

im genuinely trying to help you

and you wont accept it

**GhostSquadron-Today at 2:42 AM**

Which is based on your opinion which ssems to continue to be wrong every time  
have you maybe taken note of that!?

**Leodigarius-Today at 2:42 AM**

and i cant fathom why you are willing to throw it all away because you are  
paranoid about some retards on the internet

**GhostSquadron-Today at 2:42 AM**

Helping isn't accusing LEO

**Leodigarius-Today at 2:43 AM**

THIS is what I said: "When he makes a post, you are the first, and typically only  
person to respond, which is good on you because no one else does that.

However, BECAUSE you are the only one responding, it doesn't look terribly

good REGARDLESS about anything. I'm not saying you are doing shit, I'm

saying it looks bad from the outside and I want to figure out what can be done to  
sort out Antarius and Babylon 6 before they fold and disappear. You have a

reputation of being involved in drama in the past, which is why I wanted to speak with you about this."

but you didnt read it

**GhostSquadron-Today at 2:43 AM**

I don't take lightly to accusaitons! Also I AM HELPING! Much more than you could possibly know!

**Leodigarius-Today at 2:43 AM**

im not accusing you

thats not at all what i was saying

**GhostSquadron-Today at 2:43 AM**

I ousted TEST players back in the day

The same fucking idiot that is running Auxillium

FUCK LEO LEARN!

I was right all along!

**Leodigarius-Today at 2:44 AM**

yeah, but after they left, others are leaving too

**GhostSquadron-Today at 2:44 AM**

As i most of the time am! not always but most!

**Leodigarius-Today at 2:44 AM**

or Antarius is banning them for no reason

**GhostSquadron-Today at 2:44 AM**

I haven't spoken to anyone there for 4-5 months you fucking tool!

**Leodigarius-Today at 2:44 AM**

your witch hunting may have colored Antarius' viewpoint and he is causing insane damage to Babylon 6

**GhostSquadron-Today at 2:44 AM**

This all happened after PR recently

I had nothing to do with any of this shit and you fucking know it!

**Leodigarius-Today at 2:45 AM**

listen to what im saying

**GhostSquadron-Today at 2:45 AM**

So cut the shit or fuck off!

I will not be blamed for sickos and people who live in their mums basemetns behaviour

**Leodigarius-Today at 2:45 AM**

From assisting him in getting rid of the bad apples, he took that and is now acting on his own by seeing plots and evil shit everywhere

you helped him, im not saying you didnt

**GhostSquadron-Today at 2:46 AM**

NOTHING to do with ME!

**Leodigarius-Today at 2:46 AM**

but he has taken that experience and is riding the paranoia train

**GhostSquadron-Today at 2:46 AM**

He's just woken up mate and ALLLLLLLLLLL of this is him by himslef!!!!!!

NOTHING TO DO WITH ME!

Ask him!!!!!!!!!!!!!!!!!!!!!!

You will once again appologize

AGAIN!

You continue to fuck up show disrespect and act like a fucktard!

**Leodigarius-Today at 2:48 AM**

Hold on, I continue to fuck up?

**GhostSquadron-Today at 2:48 AM**

You have one chance now to state your case of why I should have you stay as part of our Org?

Stop and think

**Leodigarius-Today at 2:48 AM**

I'm bringing concerns to you in a civilized manner by requesting a meeting

**GhostSquadron-Today at 2:48 AM**

STOP!

Civilized!

CIVILIZED!

ARE YOU FOR REAL!!!!

**Leodigarius-Today at 2:49 AM**

during which we could have solved this a while ago because there is too much lost in text chat

**GhostSquadron-Today at 2:49 AM**

??????????

You need to learn people skills and respect!

**Leodigarius-Today at 2:49 AM**

All I've done is bring concerns I have to you, only to have you yell about respect and that I'm fucking up.

**GhostSquadron-Today at 2:50 AM**

Two you have been kicked in the ass enough by all of us to learn that that behaviour isn't acceptable but you still continue

Do you ever learn mate!

FUCK!

**Leodigarius-Today at 2:50 AM**

So people can't bring concerns to you?

How is that reasonable?

**GhostSquadron-Today at 2:51 AM**

Concerns yes

Not accusations

You just don't get it do you

**Leodigarius-Today at 2:51 AM**

if i was accusing you, it would be in public

**GhostSquadron-Today at 2:51 AM**

fuck me

**Leodigarius-Today at 2:51 AM**

i started this conversation by saying i had concerns

**GhostSquadron-Today at 2:51 AM**

OMG! an accusation is exactly that in what ever context

And then went on a full on rant about me causing drama

and none of what you said has any reality to it!

**Leodigarius-Today at 2:52 AM**

I said you are at the core of it all, and regardless as to whether or not you did anything, your history of being involved in drama has caused concern

It has plenty of reality to it. I'm telling you what I see from the outside, because I don't give enough of a fuck to get balls deep in orgs and shit like you have because it's boring right now. You can't accept that and think I'm out to get you when I'm not.

**GhostSquadron-Today at 2:54 AM**

I ousted bad people in bab 6 months ago and they just tried being fuckwits to the members of bab 6 after last week trying to say they were fighting with me and SOT then Django said ahhhh noooo. He went to Antarius and the Org got

brought up by not me but obviously someone else! Then Munkin being the fuckwit he is and that Django is talking to me about later! Caused more shit and got his whole Org kicked!

DRAMA! DRAMA!

FUCK ME! I have literally nothing to do with any of it!

**Leodigarius-Today at 2:55 AM**

You also didn't listen to what I said earlier about that. I said that your early witch hunt to get rid of the cancerous people flipped a switch in Antarius and he's going all out on people causing instability in the project.

**GhostSquadron-Today at 2:55 AM**

So yes accusaitons LEO fucking unfounded off the cusp and fucking disrespetful accusaiotns! yes leo you!! you saisd that!

Nope not in Bab 6 mate

that was internal

so uhu!

Might you be the ORG!?

**Leodigarius-Today at 2:55 AM**

wow

**GhostSquadron-Today at 2:55 AM**

HMMMMMM certainly seems like it

**Leodigarius-Today at 2:55 AM**

you want to see them everywhere dont you

this is unreal

**GhostSquadron-Today at 2:55 AM**

as your distainful attitude and accusations unbased on any reality

sounds like the ORg to me!

**Leodigarius-Today at 2:56 AM**

if i didnt know you i would swear you were a schizo

**GhostSquadron-Today at 2:56 AM**

Causing probelems for bab 6 "PR" huh!? What fucking problems!?

Once again hadn't spoken to anyone in months at bab 6 you fucking muppet!

**Leodigarius-Today at 2:57 AM**

you aren't listening or reading anything i've said apparently, other than assume i'm just talking shit about you

**GhostSquadron-Today at 2:57 AM**

I've had enough of your shit attitude now accusaiotns and dissrespect

**Leodigarius-Today at 2:57 AM**

I'll say it one more fucking time: After you HELPED Antarius get rid of the bad apples in the project, it flipped a switch in him causing him to see shit everywhere.

**GhostSquadron-Today at 2:57 AM**

You are not behaving like our org does you have had your ass kicked enough times to get booted for good

**Leodigarius-Today at 2:57 AM**

My ass kicked? Really?

**GhostSquadron-Today at 2:57 AM**

But by the good graces of the other HOO's i've allowed you to stay

This is it the final straw!

**Leodigarius-Today at 2:58 AM**

You are being insanely abhrasive

All I've done is try and help you.

**GhostSquadron-Today at 2:58 AM**

I have just caught people out and got rid of them

And been proved right everytime!

EVERY!

So you are now on nmy shit list

**Leodigarius-Today at 2:58 AM**

LOL

**GhostSquadron-Today at 2:58 AM**

Not a good place to be!

**Leodigarius-Today at 2:59 AM**

Nigga I got my own org of 130+ people, and you have less than 1/5 of that.

if you act like this the whole time, you won't ever get more than that

**GhostSquadron-Today at 2:59 AM**

Go away and think about your next discussion with me and it fucking well better be full of appologies!

They are not IN your own org they are contractors

don't play it up

go away and think

**GhostSquadron-Today at 3:00 AM**

Last chance ever to stay with us! I will be reproting this to the other HOO'

s

**Leodigarius-Today at 3:01 AM**

very well, i'll return tomorrow with my decision

you've given me a lot to think about

**NEW MESSAGES**

**GhostSquadron-Today at 3:01 AM**
