

Hanmer Springs

Want to go somewhere for an awesome weekend? Why not Hanmer Springs? Are you looking for somewhere relaxing or for somewhere with lots of adventures? Well, Hanmer Springs is both. With hot pool's or rock climbing. There's something for everyone.

Let's start with the relaxing things first.

Well there's the famous hot pool's of course, just sit back and relax in nice hot water why not go up to the winery, with the awesome veiws. Go for a scenic stroll or a long fitness walk with the best part at the top the best veiws ever, you can see for miles. Would you rather book yourself in to the luxurious hotel and get a facial? Drink a full bottle of beer or wine? With delicious breakfast delivered to your room every morning. Sounds pretty good to me.

Are you more into the action, well that's not a problem for starters there's water slide's and amazing water rides that's bound to get you screaming for the kids. Plenty of walk's long and short. Jet boating down the wild, racing river. If you are really brave there's always bungee

jumping off a bridge (no thanks) don't worry if that's too much.

There are lot's of four wheeler's and a petting zoo with lots of animal's. Climb to new heights in a tree, or up a massive rock. If I say much more well be talking for hours.

Don't take my word for it, go see it yourself.

Why are you still here? You should be packing your bags all ready.
