

## **Studios/Locations that I would recommend!**

Hello,

This is a list of some studios and locations that I would recommend when working together. I am happy to go to other places of course! If something is local to me (I am based in Ilkley, West Yorkshire) then I have marked it with an **x**. This means that travel contributions will be very minimal!

### **Studios:**

1. Lightspace Leeds. **x**
