

NOVEMBER 2024

The season of giving is upon us! As we move into the holiday season it is important to remember how much we have to be thankful for! It is a time for us to reflect and give thanks for all that is good in our lives despite hardships we may face.

November is also the month where we celebrate Kindness. November 13th marked World Kindness Day! At BVP, we continue to promote kindness every day! Please encourage your scholars to spread kindness whenever they can! It is free and one of the best ways to give back to others! In the spirit of the holidays....choose to be KIND! Please be sure to check our previous newsletter from October on Bullying Prevention for more resources!

This monthly newsletter is here to provide you with community resources for the upcoming holiday season & share some ways to give back.
