Session Title	Rethinking Elementary Science Education
Session Presenter	Alex Gerber (WashU ISP), Doug Barton (Lindbergh)
Purpose of Session	Lindbergh Schools is changing their approach to growth and mastery in science. Find out what changes we are making, why, and how. We are in year zero of our work. The 24-25 school year will be our first year of implementation. This work is happening in partnership with Washington University's Institute for School Partnership.
