2. Each player will begin with his/her live bankroll of \$100.
3. Players may only wager on races at Hawthorne Race Course.
4. All official parimutuel wagers on Hawthorne's races are eligible: WPS, Exactas, Trifectas, Superfectas, High-5s, Daily Doubles, Pick 3s, Pick 4s, Pick 5s, Pick 6s and Place Pick 8s.
5. Each player must wager a minimum of their initial bankroll on Tournament day but may reinvest monies earned from winning Tournament wagers. Failure to wager the minimum will result in disqualification from the Tournament and a last place score for the day.

12. Illinois off-track betting locations are mandated to surcharge all winning wagers. Prices shown on screen may be different than actual winnings.

WAGERING PROCEDURES

1. Each player will receive an assigned wagering card during check-in on the Tournament day.
2. All wagers must be placed through the player's Tournament card at designated self-service terminals. Wagers cannot be placed with a mutual teller.
3. All players are responsible for ensuring that each wager is placed correctly and that their wagers have been accepted by the tote system.
4. All wagers must be placed personally, and in-person, by the Player. No person shall, directly or indirectly, act as an intermediary, transmitter or agent in placing wagers for the Player, unless prior written authorization is given by Tournament officials.
5. Official program numbers shall be used when placing all wagers.
6. Wagers over \$500 can only be canceled by Tournament Officials.
7. If a Contest Card has an "IRS" lock, the player must contact a Tournament Official immediately with a photo ID. No wagers are possible until the Contest card is unlocked.

SCRATCHES

1. If a horse is scratched after a wager is placed, it is the player's responsibility to change his/her selection prior to the start of the race subject to all other Tournament wagering rules.
2. If a wager is not canceled and the race goes off, the player may collect the refund and wager on another race. In this instance, the refunded wager will not count against Tournament requirements. In the event the scratch occurs in the final race of the day, and the player does not cancel their selection, the player will not be disqualified for not meeting the race minimum, but instead awarded \$0 on the final race in place of the refund.

HOW THE TOURNAMENT IS WON

1. Players accrue points based on the mutual payouts of Tournament wagers.
2. The Player amassing the highest number of points based on the Player's earnings (i.e. the biggest final bankroll) from all Tournament wagers at the end of Tournament day will be declared the winner of the specific Tournament.
3. Players receive one point per dollar, and points can be broken into fractions. For instance, a player with an ending balance of \$40.35 will receive 40.35 points.
4. In the event of a tie, the player tied will split the prize or points associated with their placing.
5. Failure to follow Tournament rules results in 0 points.
