

14 April 2021 Global Climate Dialog / Webinar Information

Climate Solutions for Washington

Hosted by

Panelists

1. **Saba Rahman**, Climate Engagement and Preparedness Coordinator, Climate Action Team, and **Amina Kedir**, Project Manager, Wastewater Treatment Division, King County, Washington

Saba Rahman has been supporting the development of King County's 2020 Strategic Climate Action Plan over the past year and a half, particularly working on the climate equity focused section of the plan. Saba recently graduated from the Evans School of Public Policy and Governance with a Master's in Public Administration and has previous experience working in education, community building, and environmental management.

2. **Kellen Lynch**, **Project Manager** for Project ZeNETH, Western Washington University

Moderators: **Janelle Vu** and **Lindsey Wielick**, Western Washington University
