

How to use Destiny Discover to check out e-books, & audiobooks on the PIC Library Website

E-book: (short for “electronic book”) is a digital form of a printed book that can be read on devices like computers, tablets, or smartphones.

Audiobook: a recording of a book being read aloud. You can listen to it on devices like computers, tablets, or smartphones.

1. Go to the PIC website
2. Under Menu, click PIC LIBRARY
3. Click on the Destiny Discover icon.
4. Choose Peotone Intermediate Center
5. Click log in (upper right hand corner)
6. Sign in with Google. (left hand login option in blue)
7. Destiny Discover will open.
8. Click the magnifying glass in the upper right corner to search for a title.

****Bluestem books are featured.**** Try using the topic search also!

- Ebooks are indicated by the “Destiny” symbol, and audiobooks feature that same symbol with “sound lines” You may check out an ebook or audiobook for 5 days and read it on your device. It will show under “My Stuff” on the left side of the page and will automatically return after 5 days.
- This is a shared database, so you should look for indicators that show a green “in” in the corner of the book. A red “out” means the book is checked out by someone else. Keep in mind that Bluestem books are very popular. Check back often to see if they become available.
