## August 12:

Thank you for your patience as we learn to navigate systems and help everyone. Along that vein, I wanted to share with you a few things people have found helpful.

## If your student is having trouble with:

**Getting into Canvas:** Please start with these <u>Canvas Directions</u>. Start on the link provided and bookmark it for the future.

**Getting into Zoom:** Please follow the <u>Zoom Directions</u> on the link to get into Zoom correctly the first time.

**Finding the link for their first class session:** Go to our <u>"Where's My Class" Help Desk</u> the five minutes before and first 15 minutes of each period this week for guidance

**Purchasing ASB or package items:** Apparently the credit card processing server is having issues that they are trying to resolve. As of right now, they have it working on *Microsoft Edge, Internet Explorer, and Firefox*. You should use one of those browsers and to go to the <u>webstore</u>. I have also been told that sometimes clearing your cookies and cache helps. If none of those work for you, please reach out to me for further assistance.

**Other tech issues:** Start with the online help desk at <a href="https://hd.cuhsd.org/">https://hd.cuhsd.org/</a>. Then call 408-558-3080 if you still need help.

Many people found having all links in one place was helpful, so I have updated the <u>Week 1</u> <u>schedule</u> to include this week's social events. If you have questions for tomorrow's Q&A with Mr. Miller, please submit them ahead of time <u>here</u>.

Finally, we have created some <u>Westmont and class pride virtual backdrops</u> that students are welcome to download and use in Zoom. Click on the linked folder and download the one you want. We have included further directions in the folder if you haven't used a virtual backdrop before.

## August 11:

Welcome to a new school year! We are so excited to have you as part of our Westmont community. This email is jam packed with information about the coming week.

Tomorrow, 8/12, is the first day of school. Please click on the <u>Westmont Week 1</u> document to see the schedule for the week and a more detailed schedule for tomorrow. For each of the sessions, you will find Zoom links to utilize. We will see you at 9am in our <u>Welcome Session</u>. Please note that you need to be logged in with your Westmont Google account and that attendance will be taken.

Each teacher should be emailing their students in Canvas with their link for each of your class's first sessions this week. If you don't get a message or are having issues, please join our "Where's My Class" Help Desk. We will be available the five minutes before and the first 15 minutes of each class to help you get the links you need.

We also have many fun events planned throughout the week in order to help you get connected to campus.

ASB Package pricing has been extended. The credit card processing server is trying to fix the issue for Chrome and Safari. For now, please use Microsoft Edge or Firefox in order to complete your purchase. If neither of those work for you, please reach out to me and we will make other arrangements. Package pricing will close on August 17. You can purchase your ASB packages at <a href="https://westmont.myschoolcentral.com">https://westmont.myschoolcentral.com</a> I am sorry that this has been more difficult this year.

Thank you! Let's have a great year!
