

Sunday Summer Lunch substituting for St. Paul's--at UCE--1:00-4:30

What is required? Show up at 1:00 p.m. and help direct volunteers from St. Paul's to the kitchen. They will have a coordinator who helps their volunteers. You essentially need to be available in the lobby so that we have a UCE presence onsite when the soup kitchen is here. You can read, work on your computer or if you wish, visit with the guests. Lunch is served at 3:00. They will be done by 4:30. We will arrange for you to get a key to let people in and to lock the building.

You can do this in pairs and spend some quality time with a UCE friend!

St. Paul's coordinators will need to be reminded that we are a composting kitchen--what to compost and where. You will need to direct people to the bathrooms. Downstairs will not be open.
