Land Acknowledgement

We acknowledge with gratitude, humility and respect that we live and work as visitors on the unceded ancestral territories of the Lək'wəŋən Peoples now known as the Songhees and Esquimalt Nations. We are honoured to raise our families in the “place to smoke herring” and we are grateful to the Nations for caring for the rich resources and teachings of this beautiful land. We commit to tread lightly and to teach our children to do the same.

November 25, 2024

Dear Members of the PAC,

We wanted to let you know that we are interested in having a dance this year. We were wondering about having a dance for Winter or Valentine's Day. We know that there may be problems with adult volunteers, raising money, supplying music, and finding decorations. We are wondering if there is any way that we can help, as students, to come up with solutions to these problems.

If we have a dance, we can raise some money towards the PAC by collecting donations. Maybe we could have pizza too? All these may help raise money for a new playground or something else.

We would like to do this because dances are so much fun and we can spend time together with family and friends.

Please let us know if this is a possibility.

Thanks so much,

Makena Michael, Cora Lewandowski, Savannah Taylor, and Charlie Wasse

Possible dance play? Find our gym availability Mar-May. Monique to follow up with students to let them know that PAC is considering it.
