

Northampton Archery Club **Annual General Meeting 2026** **Nomination Form for Committee Positions**

This year three Executive positions (**Treasurer, Chairman, Secretary**) are up for election. All non-executive positions are up for election/re-election. Any members of our club can nominate themselves for a position by inserting their name in the appropriate box. Alternatively, members can nominate someone else for posts: if you do this, you need to have gained the nominee's consent and agreement to stand for election before submission. The AGM must be satisfied that a person has agreed to stand before allowing the nomination. Executives stay in post for a two year-term, whereas non-executive posts are for a one year term. At the AGM your nominations must be "seconded" and if more than one member is nominated then a ballot will decide. Our Constitution states that elections shall be by secret ballot. Ballot papers will be available on the night if needed. Our current post-holders can be found on our website [contacts page](#).

Position	Nomination
