Seniors:

The Massachusetts AFL-CIO Scholarship Program awards over half a million dollars in scholarship funds to graduating seniors who are seeking a college degree or job training. All high school seniors are eligible for certain awards, while others require a family union affiliation. To qualify, seniors must fill out the [online application](#) to register, then take the exam which will be offered at SHS during Flex on Monday, February 3, 2025. December 20, 2024 is the firm deadline to register! Study resources for the exam can be found [here](#).

Help be part of planning the new Lip Dub, or an Alternative School Spirit Day! Due to various factors, including the new building not yet being completed, the Lip Dub this year will not take place as usual on the day before Thanksgiving Break. We'd still like to plan something for the spring. It could be a new version of the Lip Dub. It could be something different entirely. But we want to create a school-wide event that will be fun, collaborative, and build Spartan Spirit. Most importantly, we want *your* input. Join the "Spartan Spirit Planning Committee" to get involved. The committee will meet every other Monday with Mr. Wetmore in room 249 (the TV Studio) until further notice.

Lahey Hospital & Medical Center is excited to announce that LHMC is holding our Summer Certificate in Medical Research Program in 2025 for high school students. This is a unique opportunity for juniors and seniors to immerse themselves in a field of their interest over the course of this upcoming summer. Applications are due January 10th.

Please see the attached application, information flyer and consent form for minors under the age of 18.

Student Council Community Fund 2024-2025

The Student Council has a significant amount of money that is available for clubs and classes to apply for funding of up to \$350 for various activities that will better the school community. With this Activity Fund, clubs can receive financial support for important projects that they cannot completely cover from their own accounts. If your organization is interested in applying for the funds, you are invited to fill out the attached [Community Fund Form](#) with the details of your request in preparation for a meeting with the student council. For these presentations, students are welcome to bring any supporting documents or information that would be helpful to the Council members deliberations.

Appointments with the Student Council may be made on the second or fourth Friday of every month and meetings start at 7:45am in room 240. After filling out the form, the council will reach out to you via email to confirm your appointment.

After your presentation, the Student Council will vote, discuss, and get back to you with a decision the following week.

Sincerely,
SHS Student Council
