

HMS Open House will be on **September 21st from 6:00 PM to 8:00 PM** and will be held virtually again, this year. Teachers will create a recorded introductory/welcome presentation that will be posted on the teacher's Google Classroom site. Upon completion of viewing the video, families will have the opportunity to ask teacher's questions on a Google Meet; the link will also be provided on that teacher's Google Classroom. Students are asked to guide their families through the evening's program as they will need to access their Google Classrooms for families to view teacher videos and participate in the Q & A sessions for each block.

Teacher video presentations will be ready for viewing after 3:00 PM on Tuesday, September 21. Students and families will follow A and B day schedules for the evening. The suggested times for viewing the pre-recorded presentations can be viewed by clicking [Open House Schedule](#). Please keep in mind that the Google Q & A times will be live and, if you would like to participate, you will need to follow the specific times on the schedule.

Mr. Gottlieb and Ms. Vitaletti, along with the school nurse and support staff, will create welcome videos for all HMS families to view this night. An email with links to these videos will be emailed, after 3:00 PM, on Tuesday, September 21.

Thank you and enjoy the evening!

Thank you for your continued support.

Steve Gottlieb and Suzanne Vitaletti
