

## **Audition Information for Shrek the Musical**

Auditions - Tuesday, November 8th and Wednesday, November 9th

Callbacks - only if absolutely necessary on Thursday, November 10th

Results- will be emailed on Friday, November 11th at 11:00am

### **How to Audition**

1. ***Sign up*** for a time slot on the sheet on the choir room door.
2. ***Prepare a reading*** (You find and choose something about 1 minute long to read. It can be a monologue or part of a children's story, but make sure it shows off your voice).
3. ***Prepare a pantomime*** (You come up with a story and act it out without speaking. For example, getting a soda out of the vending machine: It's a hot day. You are thirsty. You pull the money out of your pocket and put it into the machine. Make a selection. Open up the container and take a drink. Smile because you feel better.) The story doesn't have to be elaborate, but it should have a beginning (it's hot), middle (getting money out and getting the drink), and end (drinking and smiling).
4. ***Prepare a song***. (Be prepared to sing a verse and the chorus of a song. You can play an accompaniment track, have someone play piano, or sing acapella -- whatever works better for you). Make sure to choose a song that shows off your voice.
5. ***Participate in the dance audition***. (The choreographer will teach you some choreography, so there's nothing to prepare for in advance. Make sure to wear clothing that you can move in.)
6. ***Callbacks***. If we do need to have callbacks (and some years we don't), you will be contacted by Wednesday evening.

# Shrek Cast Roles
