

Revolutionary War Presentation.

You will make a presentation this week. You may use any online presentation platform of your choice (Google slides, Prezi, etc.) Hint: Do your research before making the presentation!

There are four areas of focus for your presentation.

1) Compare and contrast England vs The United States during the American Revolution.

Include: supplies, number of troops, navy, etc. In other words, what were the Advantages and disadvantages of both sides. Making a chart would work well for this.

2) The Battle of Trenton: Tell the story of the battle. Why was it fought in Trenton?, Who was involved in the battle?, Who won?, Include number of troops, the reason Washington was attacking on Christmas, and why this battle is remembered in American history. Include a quote about the Battle of Trenton. Things to add- pictures, maps, etc.

3) The Battle of Saratoga: Tell the story of the battle. Why was it fought at Saratoga?, Who was involved in the battle?, Who won?, Include number of troops, and why this battle is remembered in American history. Include a quote about the Battle of Saratoga. Things to add: pictures, maps, etc.

4) Valley Forge: This was not a battle. So why was it important in American history? Tell the story of the men at Valley Forge. What hardships did they face? Explain who Baron Von Steuben was, and why he was important to the story of the Continental Army. Include a quote from Valley Forge. Things to add- pictures, maps, etc.
