

[Welcome video from Mr. Zerwas with a new haircut!](#)

Hi Future Golden Eagle Families!

We are so excited to welcome you to our amazing community at Del Oro. Before your student is officially a Golden Eagle, there is some important information that we'd like to share to help you and your student best prepare for their freshman year and ease the transition to Del Oro. We know that the transition into high school can come with a lot of questions, so we're providing this framework of the enrollment and registration process and any next steps.

Over the next few weeks, we will be sending out weekly emails detailing valuable information specific to incoming freshman students and parents. Please take the time to carefully read through this information, click on the links and watch the videos provided. This information will include: the steps and requirements for the enrollment process, graduation and a-g (college entrance) requirements, available CTE Pathways, Advanced Placement and Dual Enrollment course options, review of the 4-Year Plan and freshmen course options, instructions for filling out The Freshman Course Choice Google Form, as well as upcoming events. Stay tuned!
