

Algebra 1 Course Description

Mr. Mac and Ms. Ellis

Course Objective: Students that successfully pass both sections of this course will earn 1 credit in Algebra 1. The course concludes with the Algebra 1 Regents Exam that is a graduation requirement.

<u>Course Grading Policy:</u>	Assignments	70%
	Tests/Quizzes	30%

Course Materials: please come prepared for class with the following items:

pencils/pens

Folder or binder

chromebook

Expectations of Students:

1. Be on Time
2. Come Prepared to Learn
3. Be Present
4. Be Respectful
5. Challenge Yourself

Tests/Quizzes: Quizzes will be given once every week or two between Unit Assessments. Unit Tests will be given at the end of each unit of study.

Assignments: This category includes all of our in class assignments including warm ups, classwork, weekly review and/or hw assignments. Students are expected to attend class on a daily basis and participate in all class discussions, activities and problems sets. Since this class is heavily based on in class participation, there are few opportunities to make up work.

Homework: When homework is assigned, it will be due the following day. I will not accept late hw assignments.

Bi-Weekly Grade Reports: Every two weeks each student will receive a grade report stating the work that has been completed and graded.
