

FIRST PART.

- a How long have they been in Samui?
- b Who spent more of their holidays on the island?
- c Why did they decide to move to Samui?
- d What problems did they have to face?
- e What's their main aim?

2. What phrases does Christine use to mean the following?

- a. I used to (come out and join him)
- b There are good things and bad things about life
- c I'm becoming more familiar with...
- d To try to do something difficult
- e To manage to live (using the language)
- f To start a new company
- g We're slowly making progress

SECOND PART.

True or false:

- 1. If you hire a boat you can drive it yourself
- 2. You can drive the boat wherever you want.
- 3. You can only have the boat in the morning or afternoon
- 4. There are a number of different kinds of boats
- 5. The company finds boats using the Internet

Which words are missing here? Jackie: *GPS, what's that?*

Christine: *Er...it's a sort of _____ map on a computer of the reefs and the _____ so they can sort of say "Well, OK that looks a little bit _____, we'll stay away from that". And also, if they do _____ into difficulty, Lee will just say to them "Give me the _____ on your GPS" and he knows he can get to them because he knows exactly where they are _____.*
