Hudson Band Private Lesson Program

Updated 8/10/202

The Hudson Band has a long history of success that is based upon many factors, especially our private lesson program. We have highly experienced and successful instructors that we hold to the highest of standards. Teachers go through background checks and fingerprinting processes prior to being approved to teach in the district through our district Fine Arts department.

These teachers have been carefully selected by your band directors to help challenge, remediate, and guide our students towards a higher level of success. Teachers should work on skills based on the needs of each musician. The Sachse HS Band program uses most of the same lesson staff to align and encourage the continuation of private lessons into grades 9-12.

Band parents will complete the **GISD Student Registration for Music Enrichment Form** prior to the start of lessons each school year. Parents should submit weekly/monthly payments to lesson teachers as instructed by the teacher and may communicate via email regarding lesson schedules, payments, and student progress.

Please reach out to your child's lesson teacher or one of the band directors to get started on lessons.

Flute: Dr. Hyunsu Yoon y.hyunsu@gmail.com
Bassoon: Mr. Isaac Rios isaacrio256@gmail.com
Clarinet: Dr. Ting-Wei Chang changclarinetlessons@gmail.com
