Dogs may enter concurrently in multiple levels in which they are eligible to compete. Ex. A dog with their Level I title of any event may run Level I and Level II in the same trial for that event.

All dogs must be registered with NASDA to compete.

Deaf and/or blind dogs may compete in any event classes that are on leash.

Dogs with missing limbs or in wheelchairs are eligible to compete, provided they have a veterinary or physiotherapist letter and do not appear to be in pain.

The judge may accept veterinary or physiotherapist letters as proof of soundness, providing the dog does not appear to be visibly in pain.

Bitches in Season:

Bitches in season will be permitted to compete. Bitches in season must compete at the end of the class and wear pants. Please let the trial chair know a week before the trial if this occurs, if at all possible. Bitches in season will have a designated potty area.
