

Our club is all inclusive to anyone in the family (parents, cousins, grandparents. Order your lift ticket too). Even friends of the family are invited so send them the link too. Ages 6 and under are free but sign them up for ski hill waiver and lift ticket/rentals. The Jaguar Ski & Snowboard Club is a great way for kids to learn to ski or snowboard in a **Terrain Based Learning (ages 7 to 18 only)** and for the **entire** family to get out on Friday nights and hit the slopes (not just for lessons)! Our group rates allow a deep discount on lift tickets, free terrain based learning (see below with website link), beyond the basics lessons and a loyalty discount card for bonus days outside of club Fridays.

Lessons and Terrain Based Learning (TBL): Click the link for more info and video
