

Dear friends and family:

I'm writing on behalf of Assumption School in San Leandro, where **Student's Name** attends. We are participating in a Week of Giving Challenge in support of the school's [Together We Can Fund](#).

The school has secured matching funds from several generous organizations in our community and our family wants to make sure the school receives them so it can continue to grow and thrive in the coming years. Additionally, the students have chances to unlock fun events and activities as they reach various fundraising goals, such as having our principal work from the roof of our school, dressing up their teachers for a fashion show, and having a churro truck come to visit the school!

Our school relies on fundraising in order to provide the [curriculum](#) and sense of community we love at Assumption. I would greatly appreciate any 100% tax-deductible gift that you can make.

If you are able to make a donation, please use this link:
<https://givebutter.com/acs-wog2026> If you would prefer to make a donation via check, please make it out to Assumption School PTG, write our family's name in the memo and mail/drop it off at 1851 136th Avenue, San Leandro, CA 94578.

I greatly appreciate your time reading this and for any support that you are able to offer.

Best,

Assumption Family
