

Dear **3SH** Students and Families,

Welcome to **third grade**! I hope your summer has been filled with sunshine, adventures, and some relaxing time with family and friends. My own summer has been full of family fun, laughter, and making memories, but now I'm really looking forward to a brand-new school year with all of you!

I've been busy getting our classroom ready and can't wait for you to see it. Everything is coming together so that we can start our journey as third graders in a warm, welcoming, and exciting space.

As you get ready for the first day, please make sure to check the **3rd Grade Supply List** posted on the Chatsworth Avenue School website under "Announcements." I've also included a copy of the list on the following page. If you're missing anything or need help finding supplies, just reach out and I'll be happy to help.

Our classroom is located in **Room 25**, right before you head up toward the Sky Gym. On the first day, bring all of your supplies into the classroom, along with a **water bottle, a healthy snack, and a nut-free lunch**. More information about birthdays and classroom celebrations will be coming soon!

We will dismiss each day from the **Addison door near the Gaga pit**. For safety, students will be dismissed only after our whole class has arrived at the dismissal area.

I know this is going to be an incredible year filled with learning, growth, and lots of fun. I am so excited to meet each of you and begin this adventure together. Enjoy every last moment of summer—I'll see you soon!

Love,

Mrs. Howryletz
