CENTER ALIGNED, MAXIMUM 15 WORDS**

Full name of the author¹, Full name of the author², Full name of the author³

¹Author affiliation, country, email

²Author affiliation, country, email

³Author affiliation, country, email

[The name of the article's author is listed without academic/professional titles, along with the name of the affiliated institution and country, as well as the email, placed beneath the article title.]

Abstract

The abstract contains the background, research objectives, research methods, and results (answers to research questions). The abstract is written in english using Candara font size 11 with single space, right aligned. The number of words in the abstract is 150-250 words.

Keywords : 3 to 5 words, separated using comma (,)

Abstrak

Abstrak berisi : Latar belakang, tujuan penelitian, metode penelitian, dan hasil (jawaban atas pertanyaan penelitian). Abstrak ditulis dalam bahasa Indonesia menggunakan jenis huruf Candara ukuran 11 dengan satu spasi, rata kanan. Jumlah kata dalam abstrak 150-250 kata.

Kata Kunci : 3 sampai 5 kata, dipisah menggunakan koma (,)

Introduction (Candara, 11pt Bold)

The introduction reveals the research background, relevant existing studies, and the differences from previous research to highlight the study's novelty, as well as the objectives, expected outcomes, and scientific benefits of the writing.

The content of the introduction uses normal Candara 11 font with 1.15 line spacing. The entire text must be written in paragraph form without any numbering or bulleting. Citations and referencing follow the APA 7th edition style and utilize the Mendeley reference management tool.

Methodology (Candara, 11pt Bold)

The content of the methodology section is written in normal Candara 11 font with 1.15 line spacing. This section includes the research type, methods, population and sample (if applicable) or research subjects, data collection techniques, operational definitions of variables, and data analysis techniques.

Result and discussion (Candara, 11pt Bold)

The content of the results and discussion section is written in normal Candara 11 font with 1.15 line spacing. The research results and discussion present the findings of the study based on field data obtained through questionnaires, surveys, documents, interviews, observations, and other data collection techniques. The research findings are analyzed through interpretation and synthesis with specific theories (which may also originate from the author's own insights). Citations and referencing follow the APA 7th edition style and utilize the Mendeley reference management tool. In writing the results and discussion, the use of sub-sections is permitted to help readers easily understand the article.

This section may be supplemented with tables and figures to clarify the discussion. The numbering of both tables and figures must be sequential. The text, number, and title of a table are placed above the table in normal Candara 11 font, centered. The content of the table uses normal Candara 10 font, with table margins adjusted as needed. If a table is adapted from another source, the source must be cited at the bottom-left of the table.

Example of table formatting:

Table 1
Xxxxxx

xx	xx	xx	xx

Source:

Figures included in the manuscript are an important part of the research results. The colors of the figures must be clear, and their sizes must be appropriate. The text, number, and title of a figure are placed below the figure in

normal Candara 11 font, centered, with 6 pt spacing above and below. If a figure is adapted from another source, the source must be written at the bottom-left of the figure.

Example of a figure:

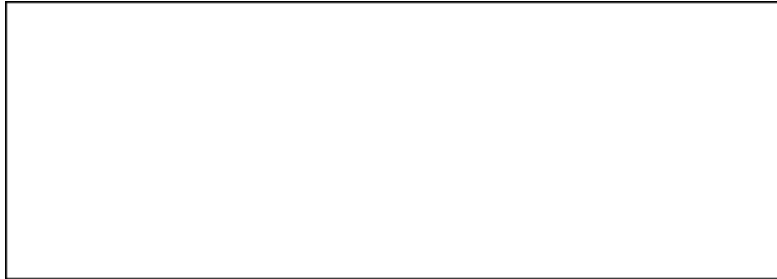

Figure 1.

Xxxxxxx

Source :

Conclusion (Candara, 11pt Bold)

The conclusion contains a summary of the answers to the research objectives, the potential application or development of the research, and recommendations for future studies. The conclusion must be written in paragraph form without any numbering or bulleting. The content of the conclusion uses normal Candara 11 font with 1.15 line spacing.

References (Candara, 11pt Bold)

The literature listed in the references must only consist of those actually used in the conducted research. The minimum number of references is 20, with 70% of the materials originating from journal articles, conference proceedings, or research findings from the last 5 (five) years. The references must be arranged alphabetically based on the last name of the cited author. The reference formatting follows the APA 7th edition style and utilizes the Mendeley tool.

Example of Reference Formatting
